

## Core 4: Gospel Transformation “3 Ortho’s” Worksheet

**Growth Area:** \_\_\_\_\_

**Note:** Use this worksheet as a guide for prayer, scripture meditation, journaling, and seeking counsel and encouragement from other believers. Depending on the growth area you have selected, you may end up with more content in one area than the others, but make sure to consider all three ortho’s—especially the one(s) you may tend to overlook.

**Orthodoxy** (Right Knowledge/Belief):

- What *lies* do you need to *turn from*?
- What *truths* do you need to *turn to*?

**Orthopathy** (Right Desire/Delight):

- What *sinful or disordered desires* do you need to *turn from*?
- What *godly or rightly-ordered desires* do you need to *turn to*?

**Orthopraxy** (Right Actions/Habits):

- What *sinful actions or habits* do you need to *turn from*?
- What *godly or right actions/habits* do you need to *turn to*?
